(other restrictions do apply for various services)

Eligibility Requirements

Students

- **Degree-seeking U-M students** may purchase from the Showcase provided they are registered for courses, entering, or returning for a future term. The official registration status required is known as "active in program," which means that a student is currently enrolled in classes, is enrolled for a future term (as with incoming students), or retaining active status between terms while pursuing a degree program.
- **Students who have graduated** may not purchase from the Showcase after their "active" status ends.
- **Students from U-M Flint and Dearborn** may purchase any product the Showcase sells with the exception of Microsoft licensed software, which must be purchased on the student's home campus.

Faculty and Staff

- **Regular U-M faculty and staff** may purchase from the Showcase during the term of their employment.
- **Regents and emeritus faculty** may purchase at any time.
- **Faculty and staff from U-M Flint and Dearborn** may purchase any product the Showcase sells with the exception of Microsoft licensed software, which must be purchased on the employee's home campus.
- **Tenure track Medical School faculty who are employed at the VA Hospital** may purchase equipment if they provide a memo stating tenure track status. Contact the Faculty and Staff Resources Office (763-0253) to obtain a memo.
- **Temporary staff, lecturers, visiting scholars and scientists** are not eligible to purchase from the Computer Showcase.
