Opportunity: Get involved in cutting edge mathematics research in a 10 week summer program at the University of Connecticut.

Support: Housing, a $4000 stipend, and a small meal or travel allowance are provided.

Eligibility: U.S. citizens and permanent residents who are full-time undergraduates in their sophomore or junior year of college. Members of underrepresented groups in the mathematical sciences, including women and minorities, are particularly encouraged to apply.

Apply: At www.mathprograms.org/db/programs/341
