- Academic Awards, Honors and Achievements:

---

---

---

---

- Name of Mathematics Instructor who will provide recommendation. We generally prefer a letter from the Instructor of your most advanced mathematics course:

\_\_\_\_\_

- List all high-school mathematics courses you have taken. Indicate if the course was “honors” or “AP”.

Course

Honors or AP

---

---

---

---

---

**and / or**

- List any college or university mathematics courses you have taken. Please note: courses not part of the college’s regular curriculum, but offered as “enrichment” for advanced high school students, should be indicated as such.

Course

Name of Institution

---

---

---

---

Please continue on opposite side if needed.

List any state and national mathematics competitions in which you have competed, e.g. Michigan Math Competition, Intel Science Competition, Putnam Competition.

---

---

---

---

Briefly describe any research projects/papers to which you have contributed.

---

---

---

---

Please note any other accomplishments in mathematics that you would like to bring to the attention of the Committee.

---

---

---

---

Certain scholarships are designated for underrepresented minorities. If you would like to identify yourself as such, please do so here (this information is voluntary):

---

-----

I hereby grant members of the Department of Mathematics Undergraduate Scholarship Committee access to the contents of my admissions file. I understand that scholarships awarded by the Mathematics Department are intended for students majoring in Mathematics, and that I must make reasonable progress towards a degree in Mathematics or I will lose my scholarship (I am free to pursue a concurrent major in a second field of my choosing).

Signed \_\_\_\_\_ Date \_\_\_\_\_

Please return this form and your letter of recommendation **no later than the first weekday of every May to:**

Department of Mathematics  
2084 East Hall  
525 E. University Avenue  
Ann Arbor, MI 48109-1109
