

Mircea Mustața

Department of Mathematics, University of Michigan
mmustata@umich.edu

Professional Experience

Since September 2004 Associate Professor, University of Michigan.
2001/2004 Research Fellow, Clay Mathematics Institute.

Visiting Positions

Fall 2006 Institute for Advanced Study.
2002/2004 Harvard University.
Spring 2002 Isaac Newton Institute for Mathematical Sciences.
Fall 2001 Université de Nice-Sophia Antipolis.

Education

May 2001 Ph.D. in Mathematics. University of California, Berkeley.
Thesis advisor: David Eisenbud.
June 1996 M.S. in Mathematics. University of Bucharest, Romania.
June 1995 B.S. in Mathematics. University of Bucharest, Romania.

Honors

1. Packard Fellowship for Science and Engineering, 2006.
2. Three-Year Clay Research Fellowship, 2001.
3. Marie-Curie Fellowship, 2001 (declined).
4. The "George Lazăr" prize of the Romanian Academy, 2001.

Grants

1. Three-year NSF grant DMS-0502127.
2. CoPI on five-year NSF RTG grant DMS-0502170 (with Igor Dolgachev, William Fulton, Robert Lazarsfeld and Karen Smith).

Selected Talks

1. The 6th Congress of Romanian Mathematicians, Bucharest, July 2007.
2. Banff meeting "Commutative Algebra and its Interaction with Algebraic Geometry", June 2007.
3. Advances in algebra and geometry, a conference in honor of David Eisenbud, MSRI, Berkeley, April 2007.
4. Colloquium, Yale University, April 2007.
5. Conference on birational geometry, Echigo-Yuzawa, December 2006.
6. Colloquium, Princeton University, November 2006.

7. Joint Brandeis-Harvard-MIT-Northeastern Colloquium, November 2006.
8. KUMUNU conference, University of Kansas, November 2006.
9. AMS Sectional Meeting, University of Cincinnati, October 2006.
10. Oberwolfach meeting on Classical Algebraic Geometry, June 2006.
11. Recent Developments in Higher Dimensional Algebraic Geometry, Baltimore, March 2006.
12. The AMS Summer Institute in Algebraic Geometry, Seattle, August 2005.
13. Colloquium, University of North Carolina, Chapel Hill, February 2005.
14. The 4th European European Congress of Mathematics, Stockholm, June 2004.
15. The 3rd Duke Mathematical Journal conference, Duke University, April 2004.
16. Western Algebraic Geometry Seminar, Salt Lake City, April 2004.
17. Colloquium, University of Toronto, February 2004.
18. Symposium on Algebraic Geometry, Kinosaki, October 2003.
19. EAGER annual conference at Aussois, September 2003.
20. Workshop on Analysis and Resolution of Singularities, Montreal 2003.
21. Banff Meeting on Integration on Spaces of Arcs, Elliptic Genus and Chiral de Rham Complex, June 2003.
22. Banff Meeting on Commutative Algebra and Algebraic Geometry, April 2003.
23. Colloquium, University of Washington at Seattle, April 2003.
24. Perspectives in Classification and Moduli Theory, Cortona, October 2002.
25. Colloquium, University of Michigan, October 2002.
26. Satellite Meeting on Algebraic Geometry, Shanghai, August 2002.
27. Oberwolfach Meeting on Classical Algebraic Geometry, May 2002.
28. Colloquium, Purdue University, April 2001.
29. Oberwolfach Meeting on Classical Algebraic Geometry, June 2000.
30. Colloquium, University of Oregon at Eugene, April 2000.
31. Workshop on Local Cohomology, Guanahuato, México, November 1999.
32. Meeting on Syzygies, Catania, Italy, June 1997.

Lecture series and Summer schools

1. Lecturer and working group mentor for *Moduli Spaces and Arcs in Algebraic Geometry*, Cologne, August 2006.
2. Short course on singularities and spaces of arcs at IPM, Tehran, June 2006.
3. Mentor for the Graduate Student Warm-up Workshop for the AMS Summer Institute in Algebraic Geometry, Seattle.
4. Mini-course on motivic integration at the school *Géométrie algébrique en Liberté*, Luminy, April 2004.
5. Mini-course on multiplier ideals at the meeting *Géométrie Algébrique Complexe*, Luminy, January 2003.

Other professional activities

1. Coorganizer (with Jeff McNeal) of the Park City program on *Analytic and Algebraic Geometry* (to be held in July 2008).
2. Coorganizer with Mihnea Popa of the “Birational Algebraic Geometry” session, at the AMS meeting to be held at Indiana University, April 2008.
3. Organizer of the workshop *F-singularities and D-modules*, Ann Arbor, August 2007.
4. Coorganizer (with N. Budur, L. Ein, R. Lazarsfeld and V. V. Shokurov) of the AIM workshop on *Invariants of singularities and higher-dimensional algebraic varieties*, Palo Alto, August 2006.
