Dear Dr. Zieve:

We are pleased to inform you that the final version of your paper (joint with R. M. Beals and J. L. Wetherell):

**Polynomials with a common composite**

is accepted for publication in the Israel Journal of Mathematics. The paper is being sent to the printer.

We would greatly appreciate your sending us a copy of the manuscript as a tex (or latex) file via electronic mail. We hope that this will help us to speed up the process of publication. In case you cannot send us the file, please let us know as soon as possible, so we will retype the article. In any case some format changes will be done here, and the paper will be sent to you for final proof-reading.

Thank you very much for your cooperation in this matter.

Sincerely yours,

Avinoam Mann
Editor in Chief
Israel Journal of Mathematics
